SEVENTH GRADE

Hi, my name is Tricia Woods. I have been teaching 7th grade Language Arts and History at Mark West Charter School for eight years. The electives I am passionate about teaching include: photography, yearbook, and math squared.

I started in my teaching career at Dover Middle School in Fairfield, CA. In 1995, I was hired by MWUSD; teaching first 5th or 6th grades at Mark West through 2005, and then 3rd through 6th at San Miguel till 2011.

Kids are amazing at every age, but I greatly appreciate the curriculum at this level and the humor of middle school students.
