

Welcome to Mark West Charter, home of the dolphins!

Dear 7th graders and families,

We are delighted to begin the new school year on Thursday, August 11th. We are so excited to meet all of you and hope to have a terrific year.

We are sending home a recommended student supply list. To be successful at MWCS, we ask that students arrive on the first day of school with these supplies. **All students must come to school daily with their own supplies.**

Note: Students have to keep all of their supplies with them as they transfer classes. We do not provide school lockers.

- Accordion file to organize papers
- 2 notebooks
- Lined paper (400 sheets for the year)
- Highlighters (at least 3 colors)
- Colored pencils
- Flash cards will be needed frequently throughout the year for vocabulary words (500 for the year)
- Whiteboard and whiteboard pens (small enough to fit inside backpack, used for quick review of math concepts)
- Pencils and pens (**will not be provided by the teacher**)
- Post-its (4 packs for the year)
- Ruler
- In January, students will need a protractor and compass for math class

Note: Students have access to chromebooks at school and during lunch but will often need a tablet or chromebook at home to complete homework assignments. Headphones are also provided, however, students may bring their personal headphones if preferred.

If you have any questions don't hesitate to email us at:

Corissa Sunde csunde@mwusd.org math and science

Joe Carusone jcarusone@mwusd.org language arts and social studies

We understand that parents frequently donate to the classroom at the beginning of the year. If you feel in the spirit of donating, we would gladly accept the following gifts:

- Glue sticks
- Rulers
- Highlighters
- AA batteries
- Ziplock bags (gallon or quart)
- Sharpies (fine tip)
- Colored pencils
- White-out pens
- Lysol wipes
- Construction paper
- Rubber bands
- Erasers
